

## Invitation to Authors

Scitech Publications invites prospective authors in different disciplines of Science, Engineering & Technology and Management. Well - experienced academicians and professional are invited to share their knowledge and experiences through simple, lucid, innovative and rich content for the benefit of the student community. We are also looking for proceedings to publish with buy-back arrangement.

Authors planning to write textbooks based on the syllabus of various universities in the field of Arts and Science, English Language and Commerce are welcome with their publishing proposal.
